

SENATOR F. LEWIS: Senator Goodrich, do you wish to speak to the bill? Are you asking to advance 92?

SENATOR GOODRICH: No. I'm going to hold it, leave it set until I get the corrected amendment up there. Then we'll take it up later.

SENATOR F. LEWIS: Senator Goodrich asks unanimous consent to hold the bill...to bracket the bill...to pass over the bill. Senator Bereuter, do you wish to speak on that? Senator Bereuter passes. Any objection to the request? If not, it is so ordered. Mr. Speaker.

SPEAKER LUEDTKE: Mr. President, I would like to just read a news item concerning former Speaker Burbach. If you'd be interested. It says, "Former Speaker of the Nebraska Legislature was listed in stable condition at Sacred Heart Hospital Tuesday, where he was taken after suffering chest distress. In a statement the hospital said former Senator Jules Burbach was admitted late Monday with chest distress and is comfortable and in stable condition. The hospital said Burbach was in an intensive care unit for observation". Then it goes on to say that...it tells about some of the things that he's thinking of doing. The main point is that he's in stable condition. So it sounds fairly encouraging.

SENATOR F. LEWIS: That is good news.

SPEAKER LUEDTKE: So I just thought you might like to be brought up-to-date by the latest news item. Other than that, Mr. President, remember tomorrow is Statehood Day. We will break at about 11:25, I think, for that, which I'll show on the agenda. We'll have sandwiches at the Ferguson House... Legislators and their spouses. With that, is there anything else then?

CLERK: Yes. Mr. President, Senator Maxey asks unanimous consent to print amendments to LB 407. Senator Nichol moves "May I, pretty please, be excused Thursday, March 2, 1978?"

SENATOR F. LEWIS: Senator Kahle has a request to speak, Mr. Speaker, before you make the motion for adjournment.

SPEAKER LUEDTKE: Okay, fine.

SENATOR F. LEWIS: Senator Kahle.

SENATOR KAHLE: Mr. Chairman and Mr. Speaker, we've talked about the days we're going to have off. I believe you said the Friday before Easter. What about the Monday after Easter?

SPEAKER LUEDTKE: The Monday after Easter was included, yes, all along.

SENATOR KAHLE: Okay, fine. Thank you.

SENATOR F. LEWIS: Mr. Speaker.

SPEAKER LUEDTKE: This Friday has already been announced that we're not going to meet. We will have the consent calendar Thursday afternoon.

SENATOR F. LEWIS: Mr. Speaker, you have a motion?
